Student Signature & Date

Parent/ Guardian Signature & Date

There are times that special events will occur at St. Christopher (i.e. weddings, funerals, conferences) which may interfere with student parking. In this event, you will be informed of the circumstance and we will make alternative arrangements for you to park in our lot.

At times of need to communicate with you, we may leave notes on the front windshield of your car. Our office is open Monday- Friday 9AM-4PM if you need to communicate with us. If those times do not work, you can contact the office via phone or email.

We reserve the right to revoke your parking privileges at any time if we feel that you are not communicating or cooperating with us or repeatedly parking in the improper parking spaces.
